Welcome Note

Venue : Hotel Kodai International, Kodaikanal

MUGIL 2026

"Like the MUGIL clouds that gather and nurture life, MUGIL brings together minds to enrich knowledge and strengthen skills in women's healthcare."

On behalf of the Organising team, it is our great pleasure to warmly welcome you to MUGIL 2026 - Mastering Updates in Gynaecology and Improving Labour Skills, the TNFOG 4th Annual Conference from June 5 to 7, at the serene hill station of Kodaikanal.

MUGIL 2026 unfolds against the picturesque backdrop of Dindigul and Theni districts, regions celebrated for their lush greenery, mist-covered hills, fertile plains and rich cultural heritage. MUGIL has been envisioned as a focused academic platform that brings together Obstetricians and Gynaecologists to update knowledge, refine clinical skills and strengthen evidence based practices in women's health care. Beyond the scientific deliberations, we hope that the tranquil ambience of Kodaikanal combined with heartfelt hosting, warm Tamil hospitality and rich culinary experience offers a perfect blend of Learning and Leisure.

We sincerely thank our esteemed office bearers of TNFOG for this wonderful opportunity and their invaluable support in organising the annual conference.

From the warmth of Dindigul, through the green embrace of Theni, to the misty calm of Kodaikanal- MUGIL promises an experience beyond a conference!

Please Come, Learn, Reconnect and Return Recharged!

We welcome you all to the Princess of Hills!

Warm regards
The Organising Team
